

# A IS FOR ANGELICA

'My life is different now. I don't go to work. I don't have an office. I stay at home, hide behind curtains and make notes. I wait for something to happen.' Gordon Kingdom struggles with the fate of his seriously-ill wife while patiently observing and methodically recording the lives of those around him: his neighbours. He has files on them all, including: -Don Donald (best friend and petty thief) -Annie Carnaffan (lives next door, throws footballs over the fence) -Benny (the boy who paints with his...

## Reader's Opinions

Mundane, ordinary- a beautifully observed, blackly comic story of a man coping with life. I never worked out what was going to be the outcome, so many potential threads of storylines that could have come to the fore, yet the conclusion still was very powerful. Not my normal kind of read, but excellent.
