

# WALL STREET COLORING BOOK

The Wall Street Coloring Book is the first coloring book to ever hit the field of finance. It contains more than 40 scenes of business people and their clients in their everyday environment. The book is divided into four provocative sections: At the office, career development, investment management, and personal achievements. The eBook version...

## Reader's Opinions

This is an actual coloring book made for adults, with funny adult captions below the pictures. I got it and read through it. It's funny.

Very funny!
