

# FORTY DAYS TO ARMAGEDDON

Would a half-billion would die before it was over? Most everyone said so. It began with Admiral Mustafa Mahdi. Was he the most ruthles man in history or was he a savior? He was a man who understood raw power and all its trappings. His crew of B-Wasy Somali Marines is reputed to be the most powerful, most sophisticated, ruthless pirates the world could ever imagine. Armed with stealth technology they are the new generation—a generation of pirates with an ancestry of...

## Reader's Opinions

Great read! I have a love of political thrillers, and Reynold Jay wrote a fun one. It is always an unique experience to realize that the status quo can change drastically in an instant, and this one did just that.

ThoughtfulWow. A play book for anarchists. Examples of over thinking, political correctness and self centeredness. America immobilized and powerless future.
