

MISSING PIECES

Family therapist Kate Sinclair repairs other people's troubled lives, all the while seeming to revel in her picture-perfect marriage and handsome home. But a closer look reveals that things are not as they seem....

Reader's Opinions

Good suspense, but irritating in that you want to yell at the characters for their stupid actions sometimes. Of course, that's the point: that the people drawn into these situations are too close to the problems to see what they should do. So instead of acting they are just reacting.
