

# NEÜ SEX

Sasha Grey, rising adult film and pop-culture star, takes control in her new monograph *neü sex*, moving out from in front of the camera to behind it, turning the lens on the wild world she inhabits. “When I first got into the adult industry, I decided to take my photography much more seriously. I started taking a camera with me to capture my experiences...

## Reader's Opinions

Not much text, but I like the idea of object-turned-subject that works throughout this book, and how she tells so much of her story through images -- images that she controls, unlike her video image over which she admits she has little control. Peppered with references to Western philosophers who help to...
