### **Peek Inside the Book**

Im not like the rest of you; I never made any plans about what Id do when I grew up; I never thought of being married, as you did. I couldnt seem to imagine myself anything but stupid little Beth, trotting about at home, of no use anywhere but there. I never wanted to go away, and the hard part now is leaving you all. Im not afraid, but it seems as if I should be homesick for you even in heaven....

Love Jo all your days, if you choose, but don't let it spoil you, for it's wicked to throw away so many good gifts because you can't have the one you want. Louisa May Alcott, Little Women //

# **Reader's Opinions**

Eesh, this was dull. I can't even try and appreciate it taking historical context into account. These little women are so blah. And they speak like they're reciting Hallmark cards half the time.
