

TEAM OF TEAMS: NEW RULES OF ENGAGEMENT FOR A COMPLEX WORLD

What if you could combine the agility, adaptability, and cohesion of a small team with the power and resources of a giant organization? When General Stanley McChrystal took command of the Joint Special Operations Task Force in Iraq in 2003, he quickly realized that conventional military tactics were failing. The allied forces had a huge advantage in numbers, equipment and training - but none of the enemy's speed and flexibility. McChrystal and...

Reader's Opinions

Not bad for a celebrity business book. Was pretty interesting to hear how McChrystal managed a remote workforce of thousands through his daily Operations & Intelligence meetings - going to try to implement some of his ideas in our own weekly meeting. But really, the most interesting (and controversial) claim in the book was: Big Data...
