## Reader's Opinions

Although the dialogue is a smidgen cheesy/clunky/otherwise-hmm in places, I'm still intrigued. I like the art and the colouring is really great. I will be picking up the next issue. I actually have the Big Bang Variant cover by Matt Taylor, not the blue cover (which, I think, is by Becky Cloonan).

Hmm yes, very intrigue. I finally got around to reading this issue I picked up right after it came out because who knows where the time went and issue 3 is now a thing. I was immediately hooked by the mystery and can't wait to see where this goes.
