

MAKING SPACE FOR INDIGENOUS FEMINISM

The majority of scholarly and activist opinion by and about Indigenous women claims that feminism is irrelevant for them. Yet there is also an articulate, theoretically informed and activist constituency that identifies as feminist. This book is by and about Indigenous feminists, whose work demonstrates a...

Reader's Opinions

In attempting to make "space for Indigenous feminism," the book implicitly opens up the question of what indigenous feminism is. Like feminism in general, the concept is muddled in politics, ideologies, and misperceptions. Complicating this logistical quagmire is the fact that this book's chapters range...
