Peek Inside the Book

Management and chairman of the Santa Fe Institute: Buffett's advice is so good but so hard. The point when there's a valuation extreme is precisely the point when the emotional pull in the wrong direction is strongest. Adds James Montier, portfolio manager at GMO: People love extrapolation and forget that cycles exist. The good news is that you get paid for doing uncomfortable things, when stocks are at trough earnings and low...

Reader's Opinions

Good read! Found this book to be well written and generally instructive on business evaluation and investment appraisal as well as it provided me with a wealth of ideas. I recommend this book to all persons interested in business...
