

SHOWCASE PRESENTS: THE SPECTRE, VOL. 1

Originally written by Jerry Siegel, co-creator of Superman, in the 1940s, The Spectre is a ghost-like hero who was originally Police Detective Jim Corrigan. When Corrigan was killed in the line of duty, his soul was given a mission by a mysterious "voice" - to avenge evil in the world. This volume collects The Spectre's Silver Age adventures from the 1960s and 70s, during which his thirst for vengeance resulted in some rather grisly stories. These stories include artwork by Neal Adams, Jim Aparo and...

Reader's Opinions

As a fan of the John Ostrander/Tom Mandrake Spectre run, I was curious how these tales had come out. I'd seen a few before, a couple in other Showcase reprint books, but never all of...

Quite disappointed with this. I understand this collection runs the gamut of Spectre stories covering many years with many writers and artists, but I felt few of these stories carried much impact. The early Gardner F. Fox and Bob Haney stories are pretty much goofy fun, but don't really go anywhere or explore the possibilities of a...
